

Higher Education Law

How to get the best independent legal advice easily and effortlessly

Expert Legal Advice on Higher Education Law

➤ Act now:

- Have you been deregistered or expelled from a university or medical school?
- Have you been accused of plagiarism and/or collusion?
- Do you require assistance with drafting an internal appeal?
- Do you have a fitness to practise hearing to attend?
- Has the university awarded you an MPhil instead of your PhD?
- Are you looking to complain to the OIA?

➤ We have a proven track record:

You instantly know that our education law team comprises '*professional, reliable and honest solicitors*' - **MT, Medical Student**. We will work closely with you, pointing out the strengths and weaknesses of your case using a systematic approach and offering constructive comments to contribute to your case, sometimes pushing you to recall important details. The technical expertise of our education law team is second to none. We give you moral support in keeping you strong and focused throughout the process. Although it might be daunting and emotionally draining to face legal accusations or expulsion from a university, we leave no stone unturned to give you a fighting chance of winning your case.

Our fees:

We offer fixed costs for education law cases unless we are required to litigate on your behalf.

Testimonials:

'I would like to take this opportunity to give a personal testimonial for, what I believe, is an excellent law firm... I honestly cannot fault the service I have received in any way, shape or form and would certainly recommend this firm to anybody seeking legal representation in their specialities. I won my appeal and I am now at medical school. The quality speaks for itself.' **Ajay Doal**

'You and your team deal with our case with dedication, thoroughness and hard work. You were always contactable when we needed you. You did not leave a stone unturned... As a result we won our appeal against the medical school as the OIA held our complaint was justified!' **AK, Medical Student**
